Twentieth Century Fox

38 Special

She claims we travel in a rollin' jet
But in fact she arrived on a blue Corvette
She almost dares to plush your tail
Loves her daddy's cash 'cause it spends so well
Just watch the way she walks, she's got a double [wild] figure
Watch her body talk[Chorus]
She's a twentieth century fox, oh watch her walk
She's a twentieth century fox, talk that talk
She got designer jeans, so tight 'n blue
Regardin' the sweat when she looks at youShe loves lights, cameras and action
To the boys on the set, she's the star attraction
Just watch the way she walks, she's got it all up front
Just watch her body talk[Chorus](Talk that talk, ooh)
She got designer jeans, so tight 'n blue
Regardin' the sweat when she looks at you
She loves lights, cameras and action
To the boys on the set, she's the star attraction
Just watch the way she walks, she's got a double [wild] figure
Just watch her body talk[Chorus]She's a twentieth century fox, oh watch her walk, watch her walk
She's a twentieth century fox, talk that talk
(Walk that walk, talk that talk)
Twentieth century fox, she's a twentieth century fox
Twentieth century fox, twentieth century fox... (to fade)
