

I Cover the Waterfront

Billie Holiday

I cover the waterfront
I'm watching the sea
Will the one I love
Be coming back to me I cover the waterfront
In search of my love
An I'm covered
By a starlit sky above Here am I
Patiently waiting
Hoping and longing
Oh how I yearn
Where are you
Have you thought back time
Will you remember
Will you return I cover the waterfront
I'm watching the sea
Will the one I love
Be coming back to me Here am I
Patiently waiting
Hoping and longing
Oh how I yearn
Where are you
Have you thought back time
Will you remember
Will you return I cover the waterfront
I'm watching the sea
Will the one I love
Be coming back to me Will the one I love
Be coming back
To me
