

# Ramble Tamble

## Creedence Clearwater Revival

Move  
Down the road I go  
Move  
Down the road I go There's mud in the water  
Roach in the cellar  
Bugs in the sugar  
Mortgage on the home  
Mortgage on the home There's garbage on the sidewalk  
Highways in the back yard  
Police on the corner  
Mortgage on the car  
Mortgage on the car Move  
Down the road I go They're selling independence  
Actors in the White House  
Acid indigestion  
Mortgage on my life  
Mortgage on my life Move  
Down the road I go Ramble tamble  
Ramble tamble  
Ramble tamble
