And what I do is what I feel
And what I feel is where I have to go
And where I go is where you are
My love, my fear, my beating heart
My simple answer that I?ll never know

And what I say is what I know
And what I know is what my senses say
And what my senses say is this
That where I?m scared to go is bliss
And when I dare to take on, makes my day

And what I do is what I feel
And what I feel is where I have to go
And where I go is where you are
My love, my fear, my beating heart
My simple answer that I?ll never know

And what I say is what I know
And what I know is what my senses say
And what my senses say is this
That where I?m scared to go is bliss
And when I dare to take on, makes my day
