Allow me
Please
Get help
Only in your note
Only listenWhere you going?
Oh, the song would
Whose mousseSell our little home
That's what I'm saying
It's almost rightIt's a loved one
It's oh, so hard
You should go home
Through the painSure
Bravo
Please
Please
Pull
Only the lonelySell some
Sell our minnow
Suppose he can
If we aren't homeSo come over
So sleep
It's so hardIt's also ugly
Leveled home
Bricks so
So firm
