## Cocteau Twins

I'm sure  
Allow me  
Please  
Get help  
Only in your note  
Only listen Where you going?  
Oh, the song would  
Whose mousse Sell our little home  
That's what I'm saying  
It's almost right It's a loved one  
It's oh, so hard  
You should go home  
Through the pain Sure  
Bravo  
Please  
Please  
Pull  
Only the lonely Sell some  
Sell our minnow  
Suppose he can  
If we aren't home So come over  
So sleep  
It's so hard It's also ugly  
Leveled home  
Bricks so  
So firm
