

Yeh, Yeh

Georgie Fame & The Blue Flames

Every evening when all
My day's work is through
I call my baby and ask her
What shall we do I mention movies but
She don't seem to dig that
And then she asks me
Why don't I come to her flat And have some supper
And let the evening pass by
By digging records
Beside a groovy hi-fi I say yeh, yeh
That's what I say
I say yeh, yeh
My baby loves me
She gets me feeling so fine
Because she loves me,
She makes me know that she's mine And when she kisses
I feel the fire get hot
She never misses
She gives it all that she's got And when she asks me
If everything is okay
I got my answer
The only thing I can say I say yeh, yeh
That's what I say
I say yeh, yeh We'll play a melody
And turn the lights down low
So that I can't see
We gotta do that
We gotta do that
We gotta do that
We gotta do that And there'll be
No one else alive in all
The world cept you and me
Yeh, yeh, yeh, yeh, yeh
Yeh, yeh and a yeh yeh Pretty baby
I never knew such a thrill
It's hard to tell you
Because I'm trembling still My pretty baby
I want you all for my own
I think I'm ready

To leave those others alone No need to ask me
If everything is okay
I got my answer
The only thing I can say I say yeh, yeh
That's what I say
I say yeh, yeh
That's what I say We'll play a melody
And turn the lights down low
So that I can't see We gotta do that
We gotta do that, yeh, yeh
We gotta do that
We gotta do that And there'll be
No one else alive in all
The world cept you and me
Yeh, yeh, yeh, yeh, yeh
Yeh, yeh and a yeh yeh Pretty baby
I never knew such a thrill
It's hard to tell you
Because I'm trembling still My pretty baby
I want you all for my own
I think I'm ready
To leave those others alone No need to ask me
If everything is okay
I got my answer
The only thing I can say I say yeh, yeh
That's what I say
I say yeh, yeh
That's what I say I say yeh, yeh
That's what I say
I say yeh, yeh
