

# Further Away (Demo)

## Manic Street Preachers

The further away I get from you  
The harder it gets for everyone else, for everyone elseThe happier I am when I'm with you  
The harder it gets when I am alone, when I am aloneThe harder I try to learn something from you  
Further awayFurther away feel it fade into your childhood further away  
Further away feel dazed and misunderstood  
Further awayThe stiller the oxygen the harder you breathe  
The draining away just like an old man's dream  
Just like an old man's dreamThe simpler the answer the harder it can get  
The circular landscape comes back only with regret  
Only with regretThe more estranged I feel from my youth further awayFurther away feel it fade into your  
childhood further away  
Further away feel dazed and misunderstood  
Further awayFurther away feel it fade into your childhood further away  
Further away feel dazed and misunderstood  
Further away
