

# What Happens In Vegas

## Boyz II Men

They said her name was Destiny,  
when they called her to the stage  
But I looked at those eyes;  
she started dancing next to me  
I knew I'd never be the same  
Well, I whispered in her little technicolored ear,  
"Girl let's get out o' here"  
(Cho)What happens in Vegas stays in Vegas  
But I wanna bring you home with me  
I know we can make it; it's outrageous  
But I won't give up on these beer dreams  
In Vegas, oh, in Vegas  
But ooh, in Vegas, Destiny happened to meSin City gave her everything  
But hearts damaged in clubs  
Will never be enough  
'cause every queen deserves a king  
And all you really need is love  
Love, and a hundred bucks  
Well! I whispered in her little technicolored ear  
"Girl let's get out o' here"  
(Cho)What happens in Vegas, stays in Vegas  
But I wanna bring you home with me  
I know we can make it, it's outrageous!  
but I won't give up on these beer dreams  
In Vegas, oh, in Vegas  
But oooh in Vegas, Destiny happened to meNow I let you go  
I stare at the phone and I think of you every night  
But oh, someday I'll come back  
And I'll spend the rest of my life with you  
Spend the rest of my life with yooooouWhat happens in Vegas, stays in Vegas  
But I wanna bring you home with me  
I know we can make it; it's outrageous!  
But I won't give up on these beer dreams  
In Vegas, oh, in Vegas  
But ooh, in Vegas, Destiny happened to me
