

So Electric

Bottlefly

There was a fat one, tall one, skinny one, bald one
Every body's favorite lady
I've seen 'em on the tele with the '69 Chevy
But it's still mystifying to me, yeah I gotta phone my corporation
I gotta gain some inspiration
In this non-stop operation
Population, conversation
Yeah, yeah, yeah
Yeah, yeah, yeah Well there's a pink cat, blue cat, funny little stray cat
24 hours away, yeah
Shake a tambourine like you're whipping up a cream
There's a million ways to play it 'Cause I don't know if I'm gonna make it
And I don't know if you can fake it
And I don't want you to rewind me
Don't erase me, just amaze me
