

And You Don't Remember

[Mariah Carey](#)

Shattered dreams cut through my mind
Tragically our love has died
Memories confine my head
Bitterly I face the end
Trustingly I gave my self to you
I let you inside believing your lies
And you don't remember every time you told me
You were mine for ever for eternity
And you don't remember, how you used to hold me
How we'd melt together, how you needed me
How we used to be in love
Stranded here in nothingness
With only tears and loneliness
Foolishly I gave my soul to you
I let you inside believing your lies
And you don't remember every time you told me
You were mine for ever for eternity
And you don't remember, how you used to hold me
How we'd melt together, how you needed me
How we used to be in love
Helplessly I fell so deep
I was so naive to let you in
Why did I let you in to my heart
Anything you told me
You were mine forever for eternity
yes you were
I know you don't remember, how you used to hold me
How we'd melt together together
how you needed me
How we used to be in love
