

# Falling In Love

CeCe Winans

I just keep falling  
Falling in love with you  
(falling in love, falling in love)  
Falling in love with you  
(falling in love)  
Falling in love with you[Verse 1]  
You are our love, you are amazing  
Better than life, you keep me gazing  
I am in awe, of your strength.  
You're great and no one else compares.[Ref:]  
I'm so in love with you  
I can't help but continue to keep[Chorus]  
Falling in love with you over and over  
Old things passed, all things brand new  
My lips shall praise thee  
Joyfully give you glory.  
While lifting my hands in your truth,  
I just keep falling, falling in love with you.  
Falling in love with you.  
Falling in love with you.[Verse 2]  
You're my best friend,  
Closer than a brother  
I can depend on you  
There's no other  
You said I'm the apple of your eye  
Everything wrong, you make it right.[Ref:]  
I'm so in love with you  
I can't help but continue to keep[Chorus]  
Falling in love with you over and over  
Old things passed, all things brand new  
My lips shall praise thee  
Joyfully give you glory.  
While lifting my hands in your truth,  
I just keep falling, falling in love with you.[Bridge]  
When I fall down you're right there to pick me up again  
When I'm weak lord you speak and encourage me to stand  
And I stand!![Ref:]  
I'm so in love with you  
I can't help but continue to keep[Chorus]

Falling in love with you over and over  
Old things passed, all things brand new  
I just keep,  
Falling in love with you over and over  
Old things passed, all things brand new My lips shall praise thee  
Joyfully give you glory.  
While lifting my hands in your truth,  
I just keep falling, falling in love with you. And I just keep  
And I just keep falling  
Falling in love with you And I just keep  
And I just keep falling  
Falling in love with you And I don't need you  
And I don't need nobody else  
Falling in love with you Over and over  
Falling in love with you
