

# For a While

## Tin Scribble

Lost in day to day, turned another way  
With a laugh, a kind hello  
Some small talk with those I know  
I forget that I'm not over you for a while  
A wave an easy grin, a smile to put them in  
With other lives to listen to  
And some work I've got to do  
I forget that I'm not over you for a while  
Days go by with no empty feeling  
Until I remember you're gone  
People say to me, you need company  
When you have some time to spend  
Drop around and meet a friend  
They forget that I'm not over you for a while  
They forget that I'm not over you for a while
