

# Don't Let Me Know

## SMASH Cast

Karen:

I wish you were a bad man  
I wish you made it easier  
I wish you'd done something unforgivable 'Cause holding onto you is that all I can do until  
I learn the hands around my throat are my own Don't let me know if it hurts  
If it hurts you  
I don't want to be your friend that you turn to  
That you won't pull me close  
But you can't let me go  
Don't let me know  
Don't let me know  
Don't let me know  
Don't let me know

Karen & Jimmy:

I wish I never met you  
Now I gotta forget again  
I wish you didn't know me  
So damn well  
Mmmmm.... Don't tell me that you're scared  
Every time that I'm not [she isn't] there  
Don't you open up my heart again

Karen:

Oh, don't let me know if it hurts  
If it hurts you  
I don't want to be your friend that you turn to  
That you won't pull me close  
But you can't let go  
Don't let me know  
Don't let me know  
Don't let me know  
Don't let me know If you think there's a chance you can fall again  
That you've tried and you've failed to stop loving me

Karen & Jimmy:

Don't let me know if it hurts  
If it hurts you  
I don't want to be your friend that you turn to

That you won't pull me close  
But you can't let go

Karen:

Don't let me know  
Don't let me know  
Don't let me know

Jimmy:

Don't let me know
