All My Love - Interlude

Carl Thomas

All my love
(All my, yeah)
All my money
(All my)
All my time
(My time)
All our life
(Everyday 'til I'm old and gray)All my heart
(All my, all my)
All my mind
All the time
(All the time, yeah)
All our lives
(All of our lives)All my love
(All my)
All my money
('Cause I need you to share it with me)
All my time
(All my time is spent with you)
All our lives
(All of my life, all of our lives, you baby)All my heart
Oh, all my mind
(Said you go to my head, you stay on my mind)
All the time
(All the time, all the time, yeah)
All our lives
(Everyday)
