Don't Want the Story

Shaimus

They tell me that we need to share the same beliefs,
To be strong, never wrong, that we're always meant to be.Can we be good, like we should?
It's not as easy as it seems.
Fairytales tend to pale when there are no more left to read.We learn to fall
To let the love wash over it all.
Break our fall.
I don't want the story
I don't need the story anymore.Oh the day slips away,
and we've broken everything.
We were wrong, but we'd known that our feet walk not in dreams.
Oh I hope you understand It's not that I don't believe.
Cuz I'd look for all of my years, and never find the things you are for me.
Yeah, and all of those years couldn't build me like you do.
And you do.
Learn to fall.
Break my fall.
