

I Feel Free

Jack Bruce

I feel free, I feel free, I feel free

I feel free, I feel free, I feel free

I feel free, I feel free, I feel freeFeel when I dance with you

We move like the sea

You, you're all I want to know

I feel free, I feel free, I feel freeI can walk down the street, there's no one there

Though the pavements are one huge crowd

I can drive down the road, my eyes don't see

Though my mind wants to cry out loud, yeahI feel free, I feel free, I feel freeI can walk down the street, there's no one there

Though the pavements are one huge crowd

I can drive down the road, my eyes don't see

Though my mind wants to cry out loud

My mind wants to cry out loudDance floor is like the sea

Ceiling is the sky

You're the sun and as you shine on me

I feel free, I feel free, I feel freeI feel free, I feel free, I feel free
