Rock In Victory

Guardian

On stage tonight
We're burnin' bright
Let's celebrate eternal light
From far and near
They'll come to hear
His rock n' roll so full of life
We'll take a stand
For something noble and true
heaven sent for me and youRock in victory
No way you can lose
Rock in victory
For you and me
In victory
Rock in victory
No way you can lose
Rock in victory
Only you can choose
Rock in victory
The world will see
We can rock in victory
