

Short Notice

The Living End

I said, "I wanna, I wanna see you"
I really meant, I wanna, I wanna leave you
I said, "I wanna, I wanna touch you"
I really meant, I wanna, I wanna punch you
I said, "I wanna, I wanna kiss you"
I'm never gonna miss you If you had a clue, you would never stay
If I told the truth, I would have to say
We're going round, round, round, round, round Short notice and now it's time to go
Misguided, shot down when you didn't know
Short notice and now it's time to go I said, "I wanna, I wanna feel you"
I really meant I wanna, I wanna kill you
I said, "I couldn't, I couldn't refuse you"
I really meant I should've, should've used you
I said, "I wanna, I wanna love you"
I really am above you If you had a clue, you would never stay
If I told the truth, I would have to say
We're going round, round, round, round, round Short notice and now it's time to go
Misguided, shot down when you didn't know
Short notice and now it's time to go Short notice and now it's time to go
Misguided, shot down when you didn't know
Short notice and now it's time to go I said, "I wanna, I wanna see you"
I really meant, I wanna, I wanna leave you
I said, "I wanna, I wanna touch you"
I really meant, I wanna, I wanna punch you
I said, "I wanna, I wanna kiss you"
I'm never gonna miss you If you had a clue, you would never stay
If I told the truth, I would have to say
If there's only one thing that's left to say
We're going round, round, round, round, round Short notice and now it's time to go
Misguided, shot down when you didn't know
Short notice and now it's time to go Short notice and now it's time to go
Misguided, shot down when you didn't know
Short notice and now it's time to go
