

Sonic Superslide

The Go-Go's

You should know its astronomic
Lost and found in space
If you go its atomic
Time bends out of shape Stars are steady
Planets are aligned
We are your solar sisters
Here to make you shine Ride a sonic superslide
Into the future fly
When we collide
Its the 21st century cool Make a turn a revolution
Feel it in the air
You cant stop evolution
Change is everywhere Visions flying
Spinning disco ball
A perfect actuality
Is impossible Ride a sonic superslide
Into the future fly
When we collide
Its the 21st century cool
