

A Dream (ft. Faith Evans & The Notorious B.I.G.)

Jay-Z

It was all a dream
("It was all a dream") Last night I had a dream
Thoughts was racing through my head (it was all a dream)
Felt so real to me
This is what was said Had a dream I said, bout who he said?
'Bout B.I.G. I said, that's big he said
Dig he said, proceed he said
Indeed I said, so, breathe I did
Don't repeat what I say I said, he said nothing
He agreed with his head, he just nodded like this
What I believe to be a yes I repeated what was said
It came to me like a well as even I said
"You feel playboy," was the greeting he said
First thing I wanted to know, what's the reason he was dead?
"More money, more problems, better believe it," he said
"Careful what you wish for you might receive it," he said
I see I said, jealousy I said
Got the whole industry mad at me I said
Then B.I. said, "Hov' remind yourself
Nobody built like you, you designed yourself"
I agree I said, my one of a kind self
Get stoned every day like Jesus did
What he said, I said, has been said before
"Just keep doing your thing," he said, say no more [Chorus]
Was it all a dream, tell me
Was it all a dream, was it a dream
Was it all a dream
I gotta know (It was all a dream)
Was it all a dream, was it a dream
Was it all a dream, a dream
Was it all a dream It was all a dream, I used to read Word Up magazine
Salt'n'Pepa and Heavy D up in the limousine
Hanging pictures on my wall
Every Saturday, "Rap Attack," Mr. Magic, Marley Marl
I let my tape rock 'til my tape popped
Smokin' weed and bamboo, sippin' on private stock
Way back, when I had the red and black lumberjack
With the hat to match
Remember Rappin' Duke? "Duh-ha, duh-ha"

You never thought that hip-hop would take it this far
Now I'm in the limelight cause I rhyme tight
Time to get paid, blow up like the
Born sinner, the opposite of a winner
Remember when I used to eat sardines for dinner
Peace to Ron G, Brucey be, Kid Capri
Funkmaster Flex, Lovebug Starsky
I'm blowin' up like you thought I would
Call the crib, same number same hood, it's all good
Uhh, and if you don't know, now you know, nigga[Chorus](It was all a dream)
(It was all)
(It was all, a dream)
(It was all a dream)
(It was all, a dream)
(It was all)
(It was all, a dream)I see I said, jealousy I said
Got the whole industry mad at me I said
Then B.I. said, "Hov' remind yourself
Nobody built like you, you designed yourself"
I agree I said, my one of a kind self
Get stoned every day like Jesus did
What he said, I said, has been said before
"Just keep doing your thing," he said, say no more
