Deadlock (From "Deadlock")

Can

When we fool didn't know how build the new room
You could choose too along the sunshine.
But then the smile and then the reefs just for chess and me,
Now you fools stand happy in the pan.
When the smile and tender leaves just for chess and me,
Now you fools must stand in the pan.
When we fool didn't know how build the new room
You could choose too along the sunshine.
