Cymphonique, I'm in the house A.K.A. Little miss Swagger This for my soldier girls Where all my soldier boys?, tempo You the one, yeah the one The only one my heart beats for I don't know how to call it Crazy how you've got me going You're not the average one Your swagger, your style You got me caught in a dream Let me sleep, I don't wanna wake up I see you in the corner of my eye Sometimes I just don't understand why Because you change up my T.E.M.PO You change up my T.E.M.PO I don't know what you done to me Make my heart wanna skip a beat and I like it You change up my T.E.M.PO You change up my T.E.M.PO I don't know what you done to me Make my heart wanna skip a beat and I like it Where you at, where you at, where you at? Bring it back, bring it back, bring it back Where you at, where you at, where you at? Bring it back, bring it back, bring it back You the truth, you the one You're a star, yes you are The way you dress, the way you shine Mama warned me about your kind I see you in the corner of my eye Sometimes I just don't understand why You change up my T.E.M.PO You change up my T.E.M.PO

I don't know what you done to me Make my heart wanna skip a beat and I like it You change up my T.E.M.PO You change up my T.E.M.PO

I don't know what you done to me Make my heart wanna skip a beat and I like it [Nicki Minaj:]Why you doing this, why you doing this to me? I am Lewinsky, I don't be doing this for free I mean I am her, I mean I am her I just came out of the fly fly, flying spur I mean I was just looking for a shh to the D-boys Stay around the key like the key to the keyboard Anyway I'm back, I had to jump off that Just jumped off the beach, I'm back on track Ha ha ha ha, had to laugh on this one You know I had to go and show my ass on this one Linked up with Cymphonique, Little miss Swagger Black on black bags, they bags from Mischa Get the wizard of oz, got me clicking my feet Cause he got my heart skip skip, skipping a beat [Cymphonique:]You change up my T.E.M.PO You change up my T.E.M.PO I don't know what you done to me Make my heart wanna skip a beat and I like it That's why you're my soldier boy That's why I'm your soldier girl I don't know what you done to me Make my heart wanna skip a beat and I like it [Nicki Minaj:]I'm so fabulous I'm representing for the youngings And we getting it in Check the tempo, tempo
