Poppin

Daytona

Say what yo' name is
Oh, yeah, that fits you, girl
Tell me where you headed
Can I walk with you, girl?
You got that look in yo' eyes
That look like you give yo' boy a here good ol' time
And I'm on it, girl
That's right, I'm on it, girlSee, this is the first time I had a girl
Who looks set me on fire
I'm really tryin' a get to know you better, girl
You ain't gotta act like you shy
'Cause we gon' do something
Something is gon get done
And we gon' get crunk
And have a lot of fun
And I say[Chorus]
Shawty, shawty
She throwing her hair
She working them jeans
She talking that talk just li, li, like I like it
She keep it on and poppin'
Shawty keep it on and poppin'
Oh, oh, oh yeahShawty, shawty
The way she wearing that top got yo' boy so hot
Ain't no mistaking, playing, or faking
She got me open, and waitin', and poppin'
Whe keep me on and poppin', oh, ohUm, um, let me tell you
I tryin' a keep my swagger, but you 'bout to have me, girl
Jump through about four or five hoops of, oh baby
Let's take it to the hood so the people can see you, girl
Oh, yes, you mean and vicious the way you switchin'
Now I think...[Bridge]
