Gotcha

Plasticman

You ran around like a hotshot
It was a matter of time
I always said I would get ya
And sooner or later I'd make you mine
Stop playin' this game with me
You know it drives me insane
You know you're just what I needed
I couldn't wait to take you away
Gotcha, where I want ya
Gotcha, yeah it's so true
Gotcha, where I want ya
I g-g-g-gotcha, g-g-g-gotcha
Our love could be dangerous
It makes me tremble inside
I'm gettin' tired of chasin' you
Baby you can run but you can't hide
Gotcha, where I want ya
Gotcha, yeah, by the jewels
Gotcha, where I want ya
I g-g-g-gotcha, g-g-g-gotcha
I got you but you don't know it
I got you but you don't know it
I g-g-g-gotcha
I g-g-g-gotcha
G-g-g-gotcha, g-g-g-gotcha
