Part Truth / Part Fiction

[Flood of Red](#)

Waking up was harder than it was
Yesterday I found it hard to find my own lifelore
Took a walk, just took in something new
To take my mind from everything that I was used to
It was early in the morning oh
That's when I lost everything
From the night before I'm sure melodies spread through me again
I forgot my own name, for a few seconds, lettered inside

I'm leaving this town
I'll find shelter from the rain
I don't care where I end up
I'm on the next train
It's so selfish of I, to leave everyone I know
If I could write it all again, I'd tell myself to go slow
I can't help what I've done
I can't save myself now
Who am I?

It was early in the morning oh
That's when I lost everything
From the night before I'm sure melodies spread through me again
I forgot my own name, for a few seconds, lettered inside
