

Wonderful Ass

Prince

I'm talkin' about that ass
(2 sexy in here, yeah)(The Revolution will be heard!) {x2}U're so wonderful {x4}
U've got a wonderful assU don't understand my quirky ways
Girl, U've got a wonderful assU do not understand my quirky ways
My crazy logic leaves U in a daze
U think my neurosis is just a phase
Girl, U've got a wonderful assU're so wonderful, wonderful
U're so wonderful (U've got a wonderful ass)
U think that all my friends are my bedmates
True love before sex U just can't relate
My sensibilities U aggravate
U've got a wonderful assU're so wonderful, wonderful
U're so wonderful (U've got a wonderful ass)Listen.
Educate, tolerate, negotiate, communicate
Litigate, graduate, appreciate, separate
Interrogate, violate, fluctuate, perpetrate
Masturbate, stimulate, stimulate, stimulate...U say that U love me, it don't do no good
U want me 2 trust U, I wish that I could
U cannot build a house with plastic wood
U've got a wonderful assU're so wonderful, wonderful
U've got a wonderful ass
U're so wonderful, oh, wonderful (Won-der-ful)
U've got a wonderful, wonderful ass(That sure is wonderful, she's wonderful)
U've got a wonderful assI guess what it is is that I hate your ideas of fun (Oh yeah?)
But baby I rate your ass number one
I don't usually have time 2 drink from your glass
But I can always find time 4 your assU know what I'm talkin' about baby?
