

Edge of Darkness

Tombs

A sullen rain upon your life
Your thoughts are not your own
Drawn forth beyond the veil
A fragile world of illusionBehold a silent world
Gaze beyond the land of death
Travel deep inside
To the edge of darknessThere lies a golden bridge
Beyond this world of light
Cross into the dark
Find the great unknownConsciousness fades away
I see the end of time
Still spirit shadow world
Still spirits feed the dark
Edge of darkness
Far beyond the edge of the world
