

# Ruff Justice (Bedroom Sessions Demo)

## Pop Will Eat Itself

I'll love and leave you,  
I believe I'm your friend and foe,  
I'll make you better,  
Get your butt on the bed, you know,  
I'll take your love and give you life with the seeds I sow,  
I'll do it better,  
Make you all better.

I got a reason for the devil inside you know,  
Get a ticket, get a gun and we'll run the show,  
Get a medal, get ahead and now you know  
I got a reason, now I got a reason...  
I got a reason, now I got a reason, yeah!  
You mutherfuckers!

I got a reason, now I got a reason:  
CHORUS  
Ruff justice, ruff law!  
Ruff justice, ruff law!  
Ruff justice, ruff law!  
Ruff justice, ruff law!  
Gonna get the girl...  
Gonna kill the baddies and save the entire planet!

I got the beauty of a cutey  
Without the frills  
You may not like it right now but I bet you will,  
The kiss of danger is the way that I get my fill,  
I got a purpose now, a special purpose...

CHORUS  
Gonna get the girl...  
Gonna kill the baddies and save the entire planet!  
Let 'em have it!  
Of this I'm sure,  
My heart is pure,  
Of this I'm sure,  
My heart is pure you know,  
Of this I will say,  
Control is just a step away.

CHORUS  
Gonna get the girl...  
Gonna kill the baddies and save the entire planet!
