I Believe (A Soulful Re-Recording)

Tears for Fears

I believe that when the hurting and the pain has gone

We will be strong, oh yes, we will be strong
And I believe that if I'm crying while I write these words
Is it absurd or am I being real?I believe that if you knew just what these tears were for
They would just pour like every drop of rain
That's why I believe it is too late for anyone to believeI believe that if you thought for a moment, took your time
You would not resign yourself, resign yourself to your fate, no, no, no
And I believe that if it's written in the stars, that's fine
I can't deny that I'm a virgo tooI believe that if you're bristling while you hear this song
I could be wrong or have I hit a nerve?
That's why I believe it is too late for anyone to believeI believe that maybe somewhere in the darkness
In the nighttime, in the storm, in the casino

Casino Spanish eyesAnd I believe, no I can't believe
That every time you hear a new born scream
You just can't see the shaping of the life
The shaping of the lifeIt's too late, baby now
It's too late
