

Last Train Home

[Ryan Star](#)

You haven't changed
Stand in the light
I need to see you
Uncover my eyes
The tears coming down
Making lines on your face
One for each year, now
That you've been away
We were only kids, we ran like water
Your dad said, "Stay away from my daughter"
The sun was coming down
When I said, "Can't you just believe?"
And if you wait for me
I'll be the light in the dark if you lose your way
And if you wait for me
I'll be your voice when you don't know what to say
I'll be your shelter, I'll be your fate
I'll be forever, wait for me
I'll be the last train
I'll be the last train home
You were a storm
It blew us away
I wouldn't leave you
But you couldn't stay
We were only kids, we ran like water
Your dad said, "Stay away from my daughter"
The sun was coming down
When I said, "Can't you just believe?"
And if you wait for me
I'll be the light in the dark if you lose your way
And if you wait for me
I'll be your voice when you don't know what to say
I'll be your shelter, I'll be your fate
I'll be forever, wait for me
I'll be the last train
I'll be the last train home
We were only kids, we ran like water
I told your dad, "I love your daughter"
The sun was coming down

When I said, "Hallie just believe"
And if you wait for me
I'll be the light in the dark if you lose your way
And if you wait for me
I'll be your voice when you don't know what to say
I'll be your shelter, I'll be your fate
I'll be forever, wait for me
I'll be the last train
I'll be the last train
Hold on to love and wait for me
I'll be the last train
I'll be the last train home
I'll be the last train
I'll be your last train home
