The Fez

Joe Goldmark

No I'm never gonna do it
Without the fez on, oh no
No I'm never gonna do it
Without the fez on, oh no
That's what I am, please understand
I wanna be your holy man
No I'm never gonna do it
Without the fez on, oh no
Ain't never gonna do it
Without the fez on, oh no

That's what I am, please understand
I wanna be your holy man
No I'm never gonna do it
Without the fez on, oh no
Don't make me do it
Without the fez on, oh no
That's what I am, please understand
I wanna be your holy man
