Ahh ahh ahh ahh ahh  
Ahh ahh ahh ahh ahh  
Ahh ahh ahh ahhI think about all the time  
    Think you may need all of mine  
    Hate to say you know that love is blind  
    I'm 'bout to see, I'll close my eyes  
    (Truth is) They can't see you in here though  
    Most of them need dollar signs to make  
        Every day your birthday  
And every night your ValentineIf we tried that we could be  
    Somewhere the climate is warm, long as you around me  
    I swear that everything will be just fine  
    I wish that we could take some time  
        Go anywhere, baby I don't mind  
        Grown man, in my suit and tie  
Hey, there's no we without you and I  
    Oh, yea, ah yea, ah ah yea  
Hey, there's no we without you and I  
    Oh yea, ah yea, ah ah yea  
Hey, there's no we without you and ISee my baby know, where my baby go, I go  
    It's no better feeling, you know when I'm next to her for sure  
        It's like,  
        Oh how can they hate? Get this off my chest  
        Oh girl, I think I love you, I swear your shit look best  
        Friends, they know they hate, they don't get the best  
Ah yea, I think I love you, oh baby maybeIf we tried that we could be  
    Somewhere the climate is warm, long as you around me  
    I swear that everything will be just fine  
    I wish that we could take some time  
        Go anywhere, baby I don't mind  
        Grown man, in my suit and tie  
Hey, there's no we without you and I  
    Oh, yea, ah yea, ah ah yea  
Hey, there's no we without you and I  
    Oh yea, ah yea, ah ah yea
