

I Don't Love You Anymore

Teddy Pendergrass

I don't love you anymore
It's just that simple
No, no, no, not like before
Such a shame, dirty shameWe can't work it out
No, not this time
We can't be together
We can only be friendsYou gotta respect each other
You gotta reply to your lover
It could never be
It could never be like it was before
You don't know what I'm talkin' about(I don't love you anymore)
It's just that simple
No, no, no, not like before
Such a shame, dirty shameI'll take care of my responsibilities
I'll send you your money
Every month, you can depend on that
You better believe that you canBut we can't live together
This way we'll be much better'Cause you say you never know
You say you never know where I'm comin' from
You see that I just got to tell ya, tell ya(I don't love you anymore)
It's just that simple
You don't believe, no baby (no, no, no, not like before)
I just got to tell ya
(I don't love you anymore) we can't work it out
(No, no, no, not like before) you see, I gotta leave
(I don't love you anymore) but I said I'll take care
(No, no, no, not like before) of my responsibilitiesSaid, can't make it
Can't make it
I try, and I try, and I try
Said I try, said I tryI tried being your man
Tried doing everything that I can
But we can't make it
But we can't make it
We just can't make it
We just can't make itMaybe someday
When we get our heads together
Oh, oh, oh oh
Well, we can try baby, try babyI don't love you anymore
No, no, no, not like before

I don't love you anymore
No, no, no, not like before...
