

Me, I Disconnect from You

Gary Numan

The alarm rang for days
You could tell from conversations
And I was waiting by the screen
I couldn't recognize my photograph
Me, I disconnect from you
And I was walking up the stairs
Something moved in silence
I could feel his mind decaying
Only inches away from me
And I disconnect from you
I won't be [Incomprehensible]
I won't be [Incomprehensible]
Please don't turn me off
Don't know what I'm doing outside
Me and the telephone that never rings
If you were me what would you do
Me, I disconnect from you
