## Obituary

[Verse 1]

I was born with a dick in my brain, yeah fucked in the head  
My stepfather said that I sucked in the bed  
'Til one night he snuck in and said  
We're going out back, I want my dick sucked in the she'd  
Can't we just play with Teddy Ruxbin instead?  
After I fuck you in the butt, get some head  
Bust a nut, get some rest  
The next day my mother said "I don't know what the fuck's up with this kid!  
The bastard won't even eat nothing he's fed  
He just hung himself in the bedroom he's dead"  
"Debbie don't let that fucker get you upset  
Go in there, stick a fuckin' cigarette to his neck  
I bet you he's fakin' it, I bet you  
I bet he probably just want's to see how upset you would get  
I'll go handle this of course, unless you object"  
"Ahh go fuck his brains out, if any's left in his head"[Chorus]  
If you could count the skeletons in my closet  
Under my bed and up under my faucet  
Then you would know I've completely lost it  
Is he nuts? NO! He's insane! If you could count the skeletons in my closet  
Under my bed and up under my faucet  
Then you would know I've completely lost it  
Is he nuts? NO! He's insane! [Verse 2]  
"Did you get him?" Naaw, fucker tried to bite my face off  
I just got fuckin' chased off with a chainsaw  
Then he took the chainsaw, bit the fuckin' blades off  
Ate the blades, stuck a baseball in a slingshot  
Then he aimed at his own face, let the thing pop  
Took his eye out, picked it up and played ping pong  
Then he played ping pong with his own ding dong  
That motherfucker's got nuts like King Kong  
Then he set the lawn mower out on the dang lawn  
And he laid all up underneath it with the thing on  
Then he took his pants, he took every fuckin' thing off  
Everything, except his tank top and his training bra  
Ain't he raw? Yeah mainiac, that's Shady dog  
Man that motherfucker's gangsta, ain't he dog  
Shady dog, what be going through that fuckin' brain of yours

Say no more, what the fuck you waitin' for, sing along[Chorus]  
If you could count the skeletons in my closet  
Under my bed and up under my faucet  
Then you would know I've completely lost it  
Is he nuts? NO! He's insane!If you could count the skeletons in my closet  
Under my bed and up under my faucet  
Then you would know I've completely lost it  
Is he nuts? NO! He's insane![Verse 3]  
Don't you know what felch means? (yeah), well then tell me  
Would you rather get felched or do the felching  
Fuck him in the ass, suck the cum out while you're belching  
Burp, belch, then go back for a second helping  
Can you dig what I'm sayin' man, can you smell me?  
I want you to feel me like my step father felt me  
Fuck a little puppy, kick the puppy while he's yelping  
"Shady what the fuck you saying?" I don't know help me!  
What the fuck's happening, I think I'm fucking melting  
"Marshall I just love you boy, I care about your well being"  
No Dad, I said no, I don't need no help peeing  
I'm a big boy, I can do it by myself see  
I only get naked when the baby sitter tells me  
She showed me a movie like "Nightmare on Elm Street"  
But it was X, and they called it "Pubic Hair on Chelsea"  
"Well this is called ass rape, and we're shooting the jail scene"[Chorus]  
If you could count the skeletons in my closet  
Under my bed and up under my faucet  
Then you would know I've completely lost it  
Is he nuts? NO! He's insane!If you could count the skeletons in my closet  
Under my bed and up under my faucet  
Then you would know I've completely lost it  
Is he nuts? NO! He's insane!
