Hot Pursuit

The Bravery

You've got nowhere to run
You've got nowhere to hide
I know you won't escape this time

You can't run far enough
You can't run fast enough
You can't outrun my love

Hot pursuit, yeah
I'm coming for ya
Hot pursuit, yeah
I'm gaining on ya

You're moving fast
But you'll never outlast me
Hot, hot, hot pursuit
Yeah

You might think that I
Come on a little strong
But the real thing is
I can't wait too long

So give your distance now
'Cause time is running out
Until you finally see
You belong to me, you belong to me

Hot pursuit, yeah
I'm coming for ya
Hot pursuit, yeah
I'm gaining on ya

You're moving fast
But you'll never outlast me
Hot, hot, hot pursuit
Yeah

You've got nowhere to run
You've got nowhere to hide

I know you won't escape
This time

You can't run far enough
You can't run fast enough
You can't outrun my love

Hot pursuit, yeah
I'm coming for ya
Hot pursuit, yeah
I'm gaining on ya

You're moving fast
But you'll never outlast me

Hot pursuit, yeah
I'm coming for ya
Hot pursuit, yeah
I'm gaining on ya

You're moving fast
But you'll never outlast me
Hot, hot, hot pursuit
Yeah

Hot pursuit
Hot pursuit, yeah
Hot pursuit
Hot pursuit
