

# Jody Like a Melody

David Allan Coe

Jody like a melody play inside my head  
Till the thought of you is more than I can stand  
Just to think of having you is music to my soul  
You make me feel as though the world is in my hands  
Jody like a melody you warm me and then leave me with  
a chill  
I can't believe the sun will rise without me looking in your eyes  
And knowing that your love has made me strong  
Why you left I'll never know the fire you built will always glow  
I only know I woke to find you gone  
Jody like a melody you warm me and then leave me with a chill  
Jody, I can't keep my thoughts about me in the daytime  
When your memory is enough to make me blind  
And late at night I lie awake and wait for you to come  
And when you don't you know I almost lose my mind  
Jody like a melody you warm me and then leave me with a chill  
Jody like a melody  
Jody like a melody  
Jody like a melody  
Jody like a melody
