

# Gasoline

## Bastardz

Oh well, oh well  
Guess you've got it all worked out so far  
You adjust your reason  
Until you see the light from where you are  
But you can never win  
You can never lose  
That's the worst part  
You can only say that what you want  
Is where you are  
You're beautiful, girl  
Won't you listen to me?  
Well, I tried so hard  
To give you what you need  
And it burned like gasoline  
Oh well, oh well  
It never took a lot to make this hard  
'Cause you're so off balance  
And I knew all the words to set you off  
But you can never win  
You can never lose  
That's the scorned heart  
Then you throw your head back  
And you laugh at where we are  
You're beautiful, girl  
Won't you listen to me?  
Well, I tried so hard  
To give you what you need  
And it burned like gasoline  
Won't you listen to me?  
Well, I tried so hard  
To give you what you need  
And it burned like gasoline  
Gasoline, gasoline, gasoline  
You're beautiful, girl  
Won't you listen to me?  
Well, I tried so hard  
To give you what you need  
And it burned like gasoline  
Won't you listen to me?

Well, I tried so hard  
To give you what you need  
And it burned like gasoline  
Burned like gasoline  
Burned like gasoline
