

Get Happy

B*Witched

Yeah

Don't be a brontosaurus

(Don't be a brontosaurus)

Don't you ever walk that way?

(Don't you ever walk that way?)It's the right thing to do

(It's the right thing to do)

Just doing what you do

(Just doing what you do)Tell me you're tired of hanging around

And dreaming your life away

We've got the feeling of Saturday night

So come on let's hear you say

Everybody gather 'round

Don't you know what we have foundOh everybody get happy

A B C count me in with 1 2 3

Oh and everybody get happy

Pick the rock a glory

So tell me what's the storySo keep the bad vibes well away

(So keep the bad vibes well away)

What you gonna do?

What you gonna do?

Kicking off with something new

(Kicking off with something new)Tell me you're tired of hanging around

And dreaming your life away

We've got the feeling of Saturday night

So come on let's hear you say

Everybody gather 'round

Don't you know what we have foundOh everybody get happy

A B C count me in with 1 2 3
