

# Princess Paranoia

## Vice Squad

Princess Paranoia never had no friends  
just enemies to drive her to a bitter end  
So she played a little game of lets pretend  
Where she can be the tragic heroine She kept the curtains closed and stayed inside  
'Cause nasty neighbours have to criticise  
She thinks their watching so she has to hide  
and when she leaves it's always in disguise Princess Paranoia all the worlds out to destroy her  
Princess Paranoia she's so inferior Talking on the telephone they listen in  
they're gonna spoil it anyway so why begin  
Been a loser so long that you'll never win  
Everybody knows it and their all laughing They invite her cause they want to hurt her  
She thinks that everybody's looking at her  
She'll always be persona non grata  
A nobody who never really mattered Princess Paranoia everyones out to exploit her  
Princess Paranoia everyone avoids her Too Fat, Too Thin, Too Short, Too Tall, Too Plain  
Too Young, Too Old, Too Good, Too Big, Too Small
