

Less Out Of Sync

DZ Deathrays

I don't owe apologies, my love in a meadow
Torn up between the
Too tough, too much to handleGet out, less out of sync
Get out, less out of sync
Get out, less out of sync
Get out, less out of syncI need inspiration
Sometimes for my trouble
Wasted on the weekend
It gives me time to rambleGet out, less out of sync
Get out, less out of sync
Get out, less out of sync
Get out, less out of syncIt's the time, time to be
Take it out, out to the bridge
Out of main, out of main
Out of main, out of mainIt's the time, time to be
Take it out, out to the bridge
Out of main, out of main
Out of main, out of mainI don't know
It's simple, it's just so hard to follow
And it beats to my heart
Like a beast in my soul
And I know that it's just so hard to follow
And it beats to my heart
Like aGet out, less out of sync
Get out, less out of sync
Get out, less out of sync
Get out, less out of syncIt's the time, time to be
Take it out, out to the bridge
Out of main, out of main
Out of main, out of mainIt's the time, time to be
Take it out, out to the bridge
Out of main, out of main
And I know it's simple, it's just so hard to follow
And it beats to my heart
Like a beast in my soulAnd I know it's just so hard to follow
And it beats to my heart
Like a beast
