Colours (Official Audio)

The Avalanches

(Colours, colours)
(Wonderful, wonderful colours)
(Oh, colours)After the tears, true love can start
Where there's a heartache, there must be a heart
After the tears, true love can start
Where there's a heartache, there must be a heartAfter the tears, true love can start
Where there's a heartache, there must be a heart
After the tears, true love can start
Where there's a heartache, there must be a heartHey mermaids, I'm only here in the sun to play
I wanna join you in the urban surf
And learn to love you in a neon way
Hey mermaids, I'm only here in the sun to play
I wanna join you in the urban surf
And learn to love you in a neon wayHey mermaids, I'm only here in the sun to play
I wanna join you in the urban surf
And learn to love you in a neon wayOver sea, under stone
No one wants to be alone
Everybody's going somewhere
After dark and the bars are slow
Where do all the mermaids go?
Everybody's got there somewhere
Everybody knows it's somewhereAfter the tears, true love can start
Where there's a heartache, there must be a heart
After the tears, true love can start
Where there's a heartache, there must be a heartAfter the tears, true love can start
Where there's a heartache, there must be a heart
After the tears, true love can start
Where there's a heartache, there must be a heart
