

# No Way

[Nofx](#)

No class, no job  
I'm just a victim of society a slob  
No ass, no head  
I gotta go home and jack off instead  
No mind, no kind  
My brain is jelly and my memory is blind  
No way, no way  
I cannot live in a world this gay  
No way! originally from the adolescents
