Poison

Glee Cast

Oh Poison
Yeah spot a man of freedom for a fact aah-aah uh-hum
Poison you ready Ken I'm ready
You ready Enrie I'm ready Will are you
Oh yeah break it down
Girl I must warn you
I sense something strange in my mind
The situation is serious
Let's cure it 'cause we're running out of time (time)
Can't get her outta my head
Miss her, kiss her, love her, wrong move you're dead

That girl is poison (oohoohoho)
Never trust a big butt and smile
That girl is poison
Posion deadly moving it slow
Looking for a mellow fellow like DeVoe
Getting paid laid so better lay low
Schemin' on hots my end the pro show
The low pro ho should be cut like an afro
See what you're sayin' huh
She's weighin' you but I know she's a loser
How do you know me and the crew used to do her
