Your Turn To Remember

Uriah Heep

I was always the one who did the thinkin'
It was me, I'm sorry I who made the plans
There was never a thought we might do somethin' between us
And it's so clear I think I'm beginnin' to understand
I was the one who had to lay it out and pay it out
I would work all night even though I wanted to play out and stay outNow it's your turn to remember
And it's your turn to try to understand
But you never would, would you?When the time came for stayin' together
You refused to even talk about forever
It was easy tellin' me you love me
And I was a little late in finding out the truth
The rule of love was there, you had to bend it
Now the damage is done it's impossible to mend it
I can't mend itNow it's your turn to remember
It's your turn to feel a little pain, yeahI feel a little better talking about her
Yet her memory's not good for me
The skies are not so gray now
I've found a new tune to play now
It's a better song, it'll be followin' onAnd when the time came for stayin' together
You refused to even talk about forever
It was easy tellin' me you love me
And I was a little late in finding out the truth
The rule of love was there but you had to bend it
Now the damage is done it's impossible to mend it
You know I can't mend itNow it's your turn to remember
It's your turn to feel a little pain
Come on baby!It's your turn to remember
Your turn to feel a little painIt's your turn to remember
Your turn to feel a little painYour turn to remember
Your turn to feel a little painYour turn to remember
Your turn to feel a little pain
