Losing You (Feat. Vince Gill)

[Chris Botti](#)

Was a fool with my money
And I lost every dime
And the sun stopped shining
And it rained all time
Oh it did set me back some
But I made it through
But I never get over losing youDo you know how much mean to me
Should have told you 'cause it's true
I'd get over losing anything
But I'll never get over losing youWhen you're young and there's time
You forget the past
You don't think that you will but you do
But I know that I don't have time enough
But I'll never get over losing youI've been cold, I've been hungry
But now for a while, I guess most of my dreams have come true
With that home here around me, no peace do I find
'Cause I'll never get over losing you
No I'll never get over losing you
