

Duke's Travels

Genesis

I am the one who guided you this far
All you know and all you feel
Nobody must know my name
For nobody would understand
And you kill what you fear
And you fear what you don't understand I call you for I must leave
You're on your own until the end
There was a choice but now it's gone
I said, "You wouldn't understand
Take what's yours and be damned"
