

A Perfect Kind of Love

Nicole Willis & The Soul Investigators

If yooo, a lonely boy
Don't you know that someone is waiting for you
And if yooo, a lonely girl
Don't you know that someone can love you too
You can seat at home in your rocking chair
Chase update step by the night
You can shake your things, do the shing of lings
The music make you feel out of side
Ah telling you
Tic tac tic tac
It time to be yourself
And show the world what you have to give
