# Leave It Open

## Priscilla Ahn

I stay, you go
I'll be waiting if you say so
The love I know wants to be better
Baby, don't goI try and I try (and I try and I try)
If you say so
Goodbye, bye, bye, bye, bye, bye, bye
Goodbye, bye, bye, bye, bye
Baby, don't goAll you need...
Is love, love, to be free
All you need...
The pain, tears, memories
If you say soBe fast, be slow
I'll be waiting
If you say so
The love I know
Has to be better
Baby, don't goI lie and I lie (and I lie and I lie)
If you say so
Goodbye, bye, bye, bye, bye, bye, bye
Goodbye, bye, bye, bye
Baby, don't goAll you need
All you've ever needed is all you've ever had
All you need
All you've ever needed is all you've ever hadTell me how I see it now
I know, I know
How far it goes
I know, I know
What no one knowsI need, I need
More good in me
I need, I need
To beI know, I know
How far it goes
I know, I know
What no one knowsI need, I need
More good in me
I need, I need
To beAll you need
All you've ever needed is all you've ever had
All you need

All you've ever needed is all you've ever hadTell me how I see it nowThe things I forgive
Tell me how I see it now
Things I forgive
Tell me how I see it now
The things I forgive
The things I forgive
Things I forgive
Things I forgive
